Hi Chris,

Sure, this was just the quickest way to ask if they use cryo. When I asked about us touring the facility, they gave me the plant manager's name. I think we should talk to the plant manager if we want plant-specific information, but to the President if we want an overview of all the facilities and a summary of their differences.

I am compressed on Monday. If you have the time and want to talk to the President about all of [Ex. 3 (CERCLA section 104(a)(7)(A) USC 9604(a)(7)(A))]'s facilities and their differences, please go ahead. Otherwise, let's catch up on Tuesday.

Hi Ksenija,

I have the President of [Ex. 3 (CERCLA section 104(a)(7)(A) USC 9604(a)(7)(A))]'s contact info (from the [Ex. 3 (CERCLA section 104(a)(7)(A) USC 9604(a)(7)(A))]'s visit) if you want me to contact him or introduce you. I'm working on the NGO list for Barnes and the briefing package for the industrial material scoping study right now so it'll probably have to wait until Monday though.

Hi,

I just called [Ex. 3 (CERCLA section 104(a)(7)(A) USC 9604(a)(7)(A))] and they do use cryo. I also got the plant manager's name, if we want to follow up.
